G-FEST 13

July 7 - 9, 2006, Crowne Plaza Chicago O'Hare

KAZUKI OMORI - YOSHIKAZU ISHII - ROBERT SCOTT FIELD

WELCOME!

Do you believe in bad luck charms? I don't, and that's why I decided to refer to this convention as G-FEST 13, instead of G-FEST '06. However, subsequent events have caused me to reconsider somewhat. It's not that anything terrible has happened, but some of the seemingly simple arrangements necessary for the convention turned out to be surprisingly complicated and difficult this year. But all that's fodder for an article in G-FAN sometime.

If you're reading this program it means we actually made it and G-FEST 13 has at least begun. (Actually, I've learned that many people don't read the program - other than the schedule of events - until after the convention is over, sometimes on the way home, and sometimes even later than that! As a teacher, I'm always after my students to read instructions carefully. Hey, maybe we should start the convention off with a session where everyone reads the program and I try to answer any questions that come up. A great idea, for next year!)

The fact that G-FEST is taking place once again has very little to do with luck, but a lot to do with the efforts of very generous and hard working committee members who take on their tasks with competence and gusto. Elsewhere in this booklet there is a list of those who have a formal role in running G-FEST, but all over the hotel you'll see volunteers who also donate their time to ensure a good convention experience for you. Please pause to say thanks and let them know they are appreciated.

Once again there are a variety of sessions, activities, and contests planned for the weekend. The more you get involved, the better your convention experience. So dive right in; you're among friends.

A couple of informational items... kaiju costume-maker Bruce Fuller, who had agreed to attend G-FEST this year unless a scheduling conflict arose, had a scheduling conflict arise. He is currently working on a shoot and cannot get away. We'll try for another year. Also, the films at the Pickwick had to be pushed back to a 10:45 start time instead of the usual 10:00 PM. This is due to their regular feature running longer than usual. (Blame Disney!) However, it gives us more time to get there and get settled, but it makes for a later night. As a result, all presentations on Sunday will only commence at 10:00 AM.

No doubt other little glitches will crop up over the course of the weekend, but we will all pull together and overcome, as we always do. Thank you for your support and participation. Get into the kaiju spirit and help make G-FEST 13 one of the best ever! But don't walk under any ladders; no sense taking foolish chances, hear?

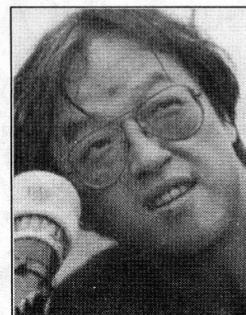

Sincerely,

Editor & publisher, G-FAN

SPECIAL GUESTS

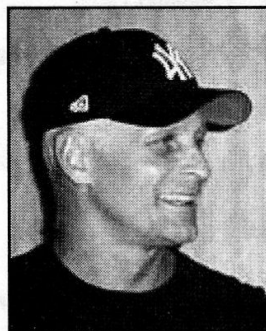

KAZUKI OMORI

In the late 1980s, Kazuki Omori re-imagined Godzilla movies and, together with fx maestro Koichi Kawakita, launched the Heisei Series of G-films, which for many fans remains the definitive Godzilla. Though Mr. Omori is known in G-fan circles as the director of *Godzilla vs Biollante* and *G vs King Ghidorah*, as well as the screenwriter of those two and *G vs Mothra* and *G vs Destroyah*, he actually has directed more than two dozen movies and written the screenplays for more than two dozen more! Most recently, he re-teamed with Kawakita to for Toho's latest sci-fi extravaganza *Sazer-X*. Come learn the secrets of the Heisei Godzilla from the very man who imagined him, director Kazuki Omori.

ROBERT SCOTT FIELD

"Scott" is well-known to G-FEST attendees, as he has graced the convention with his friendly and amazingly energetic presence (and translation skills) since 1999. A G-fan when growing up in the United States, he got to realize every Godzilla-lover's dream when he landed a major role in *Godzilla vs King Ghidorah*, as Android M-11.

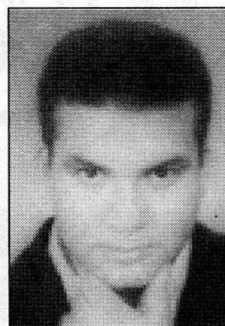

Scott currently makes his home in Japan, where he keeps incredibly busy as an actor, teacher, author, motivational speaker, spokesman, and TV personality. G-FEST has come to depend on his continued involvement, and for his exceptional service to G-fandom, Scott will be presented with this year's Mangled Skyscraper Award.

YOSHIKAZU ISHII

Ishii-san is joining G-FEST for the eighth time. Starting out as a fan of the kaiju eiga genre, Ishii-san worked his way up through the ranks of Toho to become a feature director and producer of DVD releases of Toho's sci-fi and fantasy films. Working with Koichi Kawakita, Ishii-san has produced many Godzilla exhibitions in Japan. Last year he worked as first assistant director of special effects on *Godzilla: Final Wars*, and this year he was kept busy with the fx on Toho's most ambitious project yet, a remake of *Tidal Wave*. Ishii

also directed *Cool Dimension*, which premiered in Japan on July 1. It is with great pleasure that we welcome back one of our own who has "made it" in both kaiju eiga and Japanese cinema.

ROBERT CONTE

Robert's first professional association with Godzilla was as an editor of the Dark Horse comic series. Since then, he has been involved with the Big G in a number of ways, most recently as a consultant on the upcoming Classic Media DVD releases, and Comic Images Godzilla trading cards. Robert will discuss those projects at G-FEST XIII, his third con appearance.

HISTORY OF G-FEST

In 1993, western fans of Godzilla and other Japanese monsters discovered a rallying point for their hobby in a new fanzine, called G-FAN. Created by Canadian high school teacher and long-time Godzilla fanatic J.D. Lees, the bimonthly 'zine gained popularity, and finally "went national" with issue #9.

By the summer of 1994, many of the people who had come on board by submitting articles and art to G-FAN decided it was time to meet face to face. A "Friends of G-FAN" meeting was organized for the Labor Day weekend at a Howard Johnson's outside Chicago, and attended by about twenty hardy souls. Though they had never met one another before, the sharing of experiences, Godzilla memories, and collectibles created an instant rapport. Such a good time was had that a full-fledged convention was suggested for the summer of 1995. The meeting took place in the Radisson Hotel Arlington Heights, and was repeated in 1996, and at the Wyndham Hotel in '97, and '98. In 1999 and 2000, G-FEST moved to California, then returned to the Radisson in 2001. Outgrowing the hotel, the convention moved "down the street" in 2004 to the Crowne Plaza.

A highlight of G-FEST is the Modeling Thread, organized and staged by Stan G. Hyde. Modeling instruction has become a stand-alone, two-day event, and the Model Contest is always a focal point of interest, thanks to Stan's personal commitment to seeing both succeed. Other contests have also been a mainstay over the years. The Costume Parade has always been popular, and has gained ground in recent years, flourishing under the enthusiastic guidance of Dawn McKechnie. The amateur video contest, too, is always a great crowd pleaser. The art show, gaming, and video gaming are also growing, and this year, the space devoted to each has been increased.

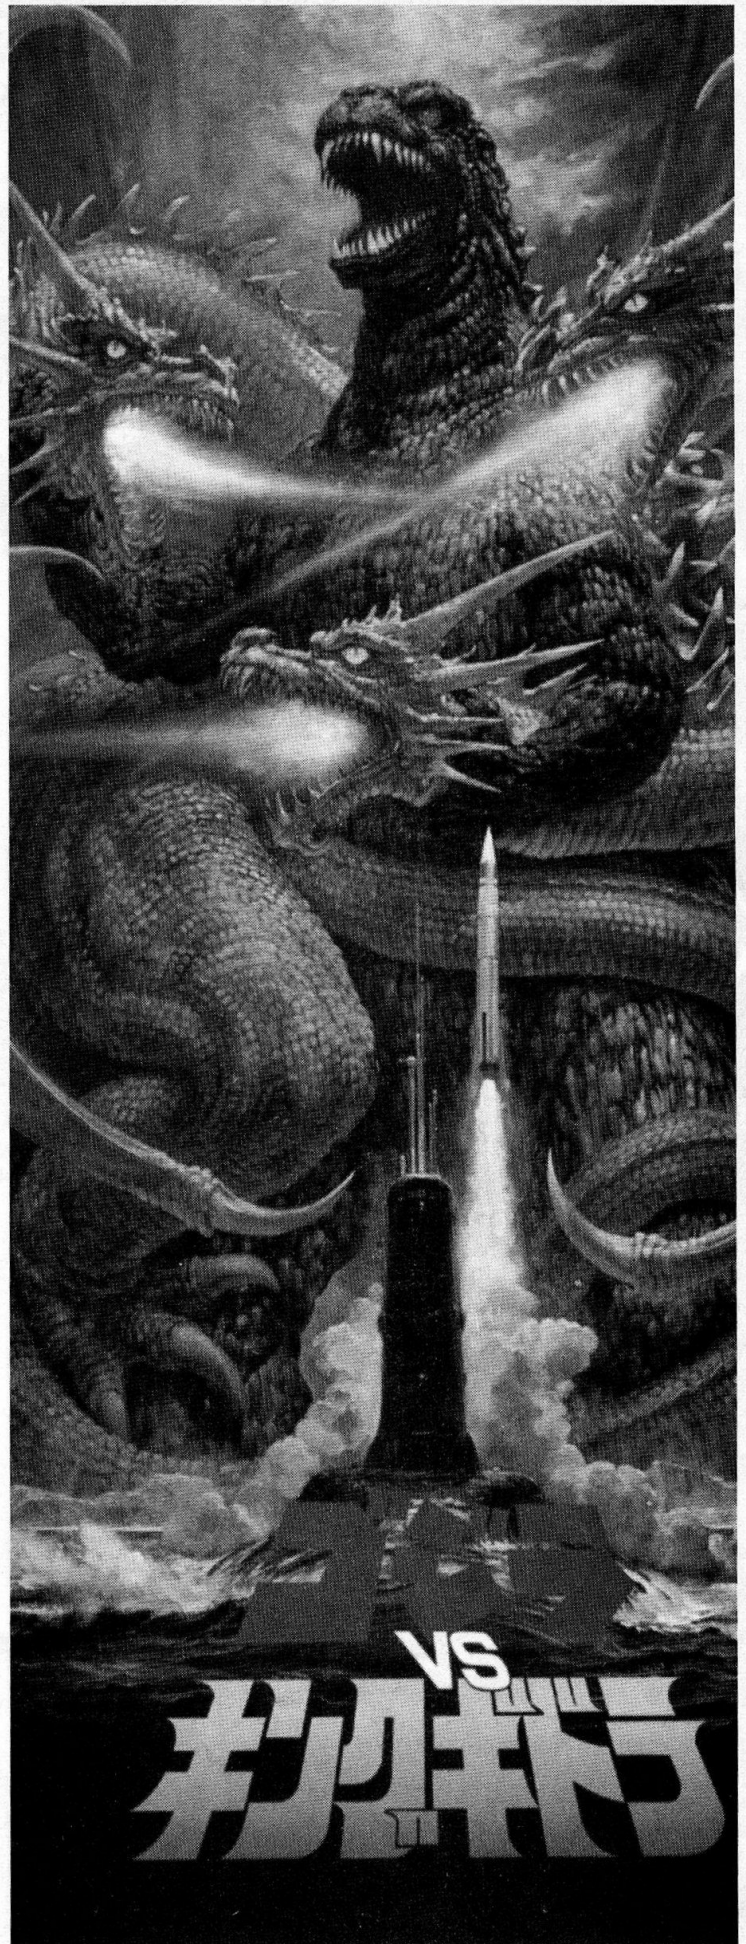

Since 1996, special guests have played an increasing role in G-FEST. American fans get the chance to meet and express appreciation to the creators of their favorite films. G-FEST 2000 culminated in an unprecedented number of guests.

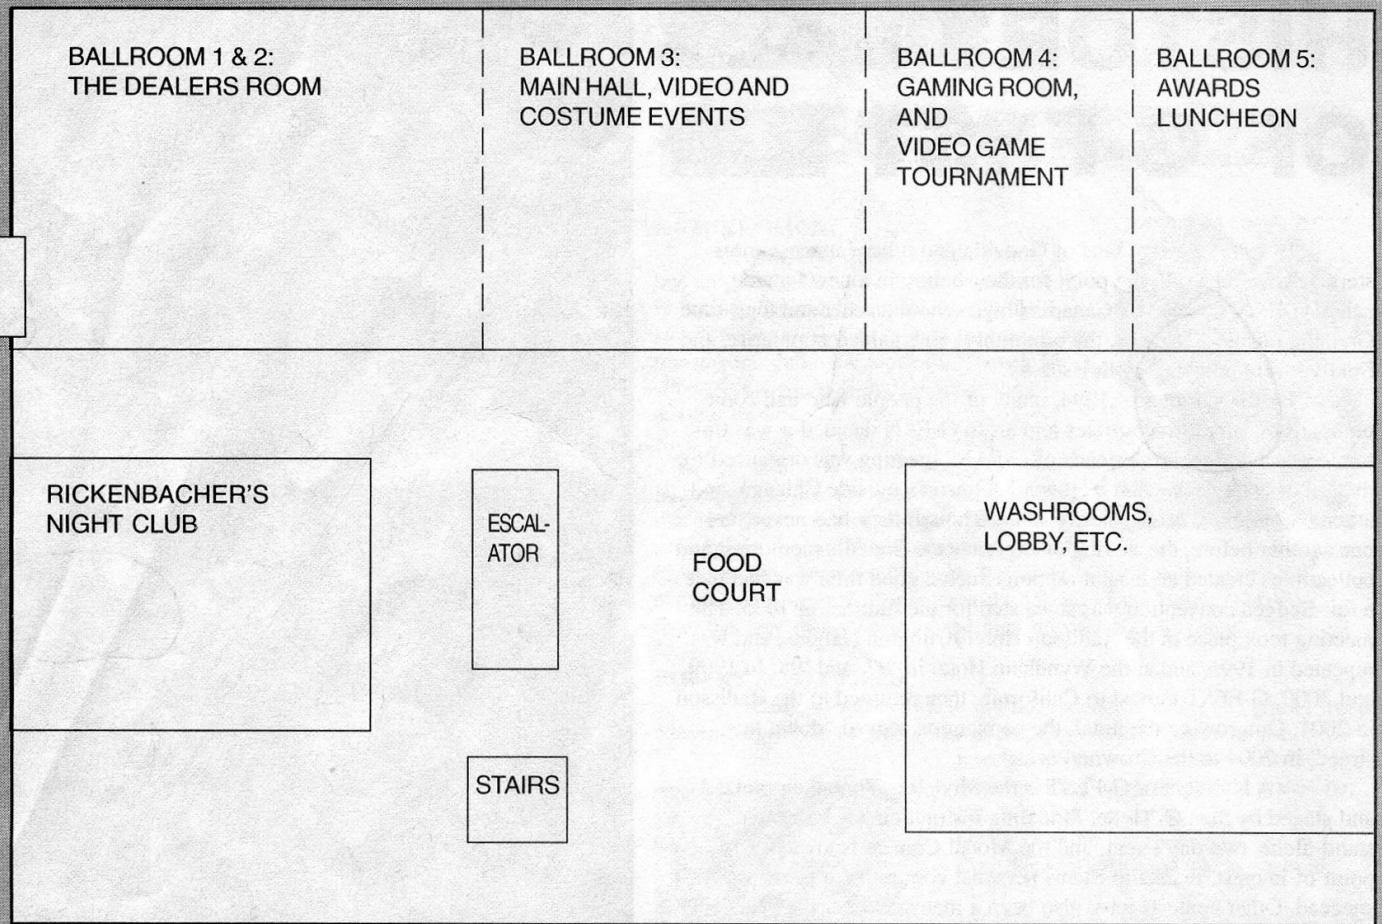

In recognition of special contributions individuals make to the production and/or promotion of the Japanese monster genre, 1999 saw the introduction of The Mangled Skyscraper Award. Every award is created by Gene Rizzardi (head of the model-making crew on *Godzilla*) based on an idea by Stan Hyde and a design by J.D. Lees. Each year, the Mangled Skyscraper is presented at a special ceremony. Past recipients are Forrest J Ackerman ('99), Koichi Kawakita ('00), and Greg Shoemaker ('01), Stan Hyde ('02), Gamera creator and director Noriaki Yuasa ('03), *Godzilla spfx* chief Teruyoshi Nakano ('04), and *Godzilla vs Hedorah* director Yoshimitsu Banno in 2005.

One of the hallmarks of G-FEST has always been its friendly and relaxed atmosphere. It is truly a convention staged by fans, for fans. Though Godzilla's admirers are many, we are scattered widely, and often find it difficult to connect with others who share our passion. G-FEST offers the opportunity to enter a world (for a weekend) where everyone loves Godzilla, listens to The Peanuts, and knows "Akira Ifukube" isn't the name of a seafood dish. Make the most of the experience, you're among friends!

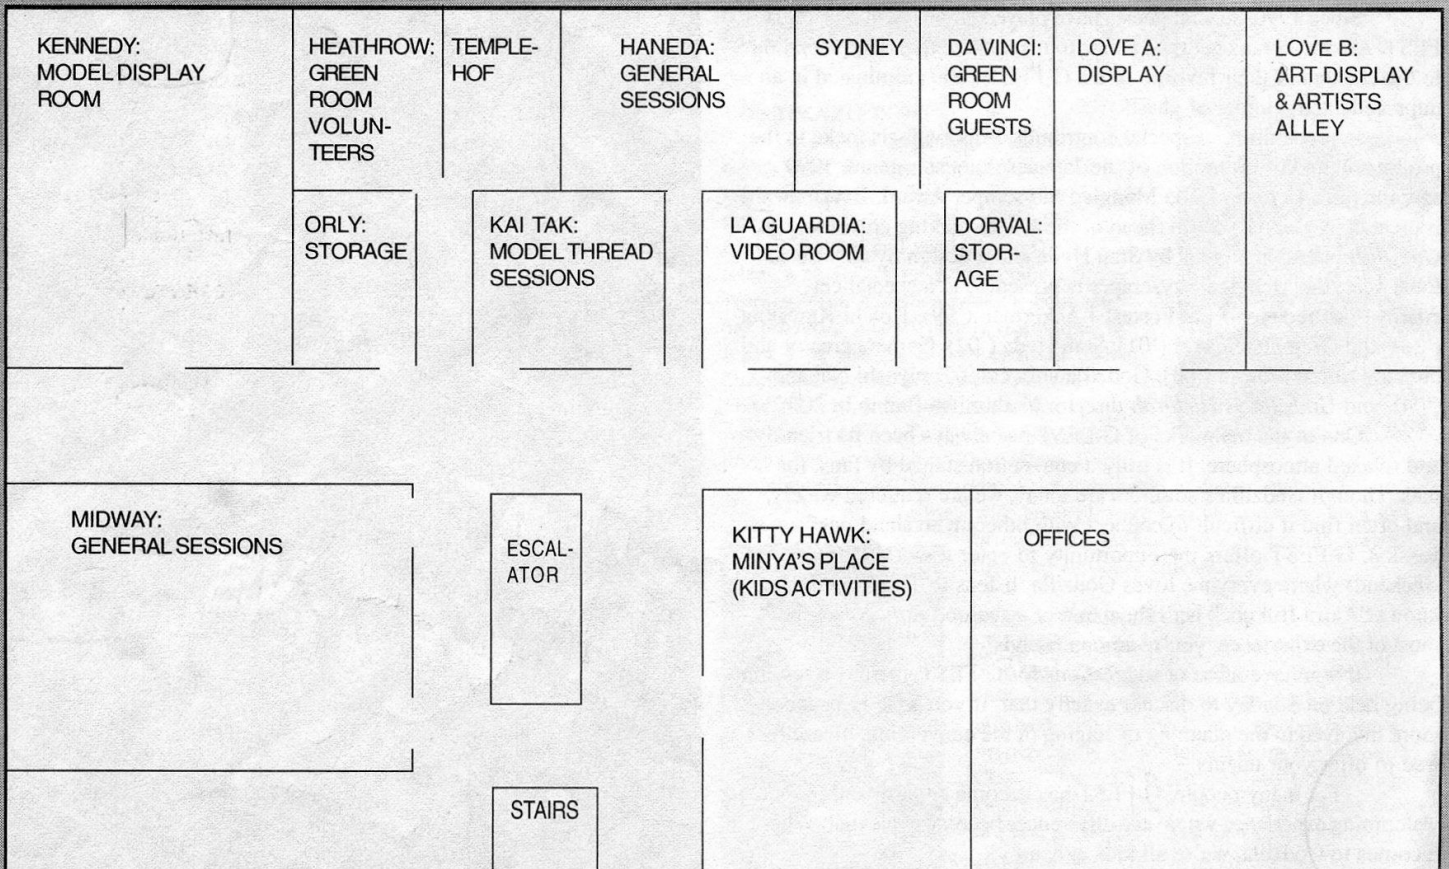

If you have ideas or suggestions for G-FEST, there is a session being held on Sunday to discuss exactly that. If you wish to become more involved in the planning or staging of the convention, please feel free to offer your talents.

For many people, G-FEST has become a warm and welcoming experience where age differences become irrelevant. When it comes to Godzilla, we're all kids at heart.

There's no structure or format, just G-fans hangin' out with G-fans. Relive convention glories, or gripe about convention inadequacies, or simply groove to the inimitable strains of Michiru Oshima's melodies. Open to all ages, but minors may not enter the bar.

MOVIES

G-FEST has a history of bringing to western G-fans films they otherwise wouldn't have a chance to see on the big screen. In 1999, *Gamera 3* premiered at G-FEST in the newly renovated Egyptian Theatre in Los Angeles. In 2000, G-FEST brought a new, subtitled print of *Godzilla* ('54) to the big screen, as well as *Godzilla vs Destoroyah*, *Son of Godzilla*, and *Rebirth of Mothra 3*.

In 2001, fans in Chicago thrilled to the big screen premiere of *Godzilla x Megaguirus*. *Godzilla vs Destroyah* and *Gamera 2: Attack of Legion* were also screened for the first time in the Chicago area. '03 featured *Tokyo S.O.S.*, *Monster Zero*, and *Terror of Mechagodzilla*, while last year we saw *Godzilla vs the Smog Monster* and *Godzilla Final Wars*.

Again this year, the movies will be shown at the Pickwick Theater, 5 South Prospect, Park Ridge, IL, 60068.

Godzilla vs King Ghidorah is at 10:45 PM on Friday, and *Gamera the Brave* will be screened at 10:45 PM on Saturday night.

Tickets (\$6) will be sold at the theater box office. Reaching the theater is the responsibility of each ticket holder. G-FEST attendees can help one another by organizing in one of the following manners:

- Those who are driving to the theater should pull up in front of the hotel for a few minutes before they leave, and offer a ride to those who don't have transportation.

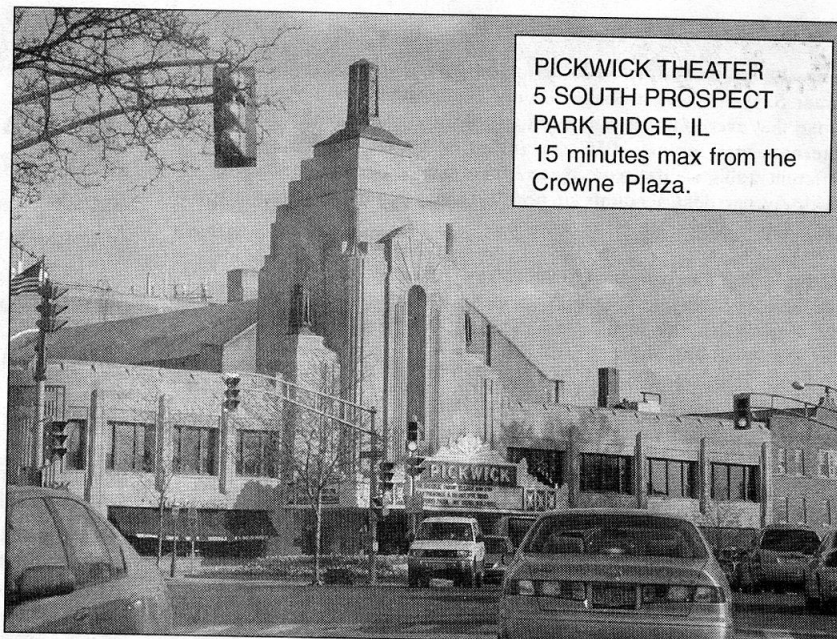

- Use the G-FEST message board to secure a ride to the theaters in advance of the show.

- Buses will be organized so check the lobby registration area and lobby for departure times and prices.

The same methods have been used for the past four years, and there wasn't a single reported problem of a person not being able to obtain transportation. Bus transportation will also be offered if demand warrants.

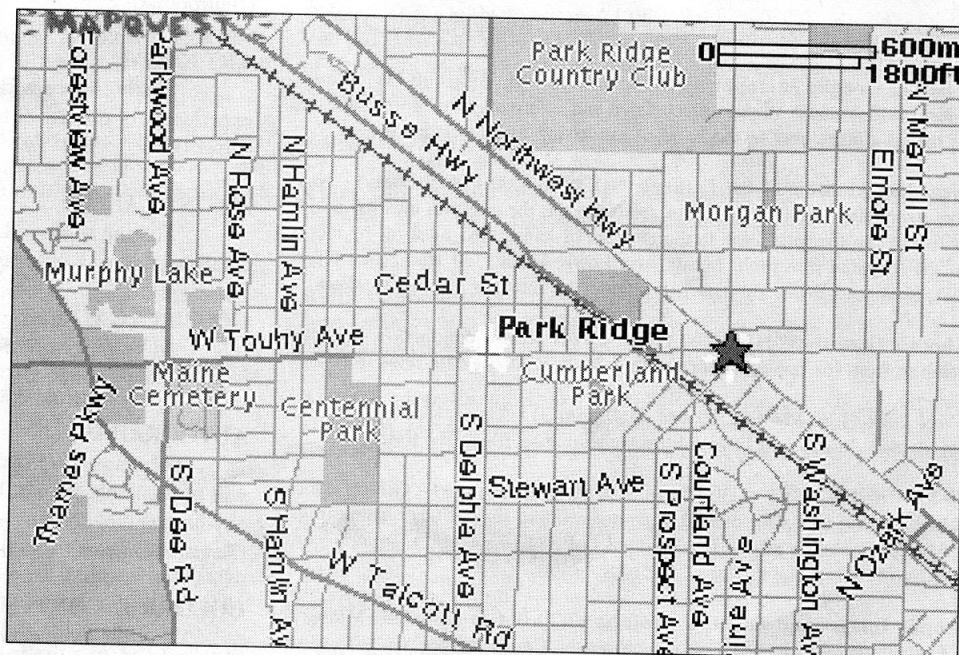

The following are directions for travelling to the Pickwick Theater from the Holiday Inn O'Hare International:

Leave the hotel and go north on North River Road. It becomes Des Plaines River Road, then South River Road. (Just stay on River Rd.) You will be driving along a forest preserve, and after passing Axehead Lake, you come to Touhy. Turn right. After passing through the forest preserve and then about 20 city blocks, you will drive under railroad tracks. Be on the lookout because the Pickwick is coming up very soon. It is on the right side of the street, just off the corner at a 6-way

PICKWICK THEATER

ED GODZISZEWSKI FOR G-FEST

intersection/stoplight (Northwest Highway and Prospect Ave. are the other cross streets). You need to turn right at the intersection and the theater will be right there, then it is every man for himself for parking. DO NOT PARK IN THE STRIP MALL PARKING LOT, or you will be towed. There is a metered parking lot almost right across the street which is free after hours (for the Friday and Saturday night showings).

Driving time from the hotel should be 15 minutes max. Tickets for the movies will be available at the theater box office.

CONTESTS

IN-HOUSE TV CHANNEL

It's not too late to enter some contests at G-FEST XII. Being in a contest definitely adds to the convention experience! Here's how they all work, and what you can do.

ART CONTEST

If you have art for display, take it to the Art Room (Love B), where it will be put on display. Make sure you indicate whether it belongs in the adult category, or the 14 and under category. Our art experts will judge the work on Saturday night, and ribbons will have magically appeared on the winners by Sunday morning. You may retrieve up your art on Sunday afternoon, or if you want to leave it, it may end up in a future issue of G-FAN.

COSTUME CONTEST

Please feel free to wear your costume around the convention all weekend (if you can stand to). It will help to build up a festive atmosphere. The actual costume parade will run on Saturday night (at 7:45 PM) in Ballroom C. Paul Gavins will meet all costume contest participants in the Ballroom following his costuming session at 6:00 PM on Friday, for sign in, and an explanation of how the contest will be staged. **Please don't miss this meeting.** Prizes kindly donated by American Greetings.

G-FANS HELPING G-FANS

This year at G-FEST David Nunes will be continuing our fundraising drive entitled G-fans For Special Kids. Many G-fans have donated items which will be sold during the convention by silent auction. The items will be on view at the G-fans For Special Kids table in the dealers room.

David will also be selling raffle tickets on Friday by the registration desk. Ten winners of the raffle will get an exclusive chance to shop in the dealers room for half an hour before everyone else is admitted.

Two thirds of the money raised will go to children with autism, and the remaining third will be turned over to a facility called The St. Amant Center, which cares for severely disabled children. Please make a small contribution this weekend.
